GEORGIA

A WONDERFUL EXPERIENCE
WAITING TO BE EXPLORED!

Georgia is bordered by the continents of Eastern Europe and Western Asia, prides its years of robust economic growth and is considered to be one of the most credible economies of Europe and Central Asia. It manifests its Educational and Economic standard towards Europe, and cultural and architecture towards Asia; An amazing amalgamation thereby making Georgia exceedingly unique!

Economy wise, it is considered as **the Fastest Growing 6th Best Business-Friendly Economy**, thereby making it as one of the most reliable economies in the world.

World Bank's Governance ranked Georgia as **6th best country out of 190 countries** and also ranked it amongst the **2nd best country in European Standard Specifications**. Thus, the world bank dubbed Georgia as **"The number one economic reformer in the world"**.

No Corruption in Georgia. As claimed by the Official Global Database Report - 2020, Georgia ranks as **7th Non-Corrupted Country out of 190 countries**.

According to Transparency International (TI) said that - **"Georgia is one of the most Non-Corrupted Country globally"**

Global Peace Index (GPI) 2019-20, Ranks Georgia **99th Position**, making its stance in **Top 100**. While Other Countries like **China Ranked 110th | USA Ranked 128th | India Ranked 141st | Ukraine Ranked 150th | Russia Ranked 154th**

“**GEORGIA IS A
STAR REFORMER**
WITH FASTEST GROWING ECONOMY IN
THE EMERGING EUROPE”

Jan Van Bilsen
(The International Financial Corporation)

“Democratic, Peaceful, &
European, that is what
#Georgia is, as a nation”

Salome Zurbashvili
The President of Georgia

IS GEORGIA A SAFE COUNTRY?

Yes, Georgia is an extremely safe country. In terms of Crime Index, 2018-2019 report placed Georgia as the **5TH SAFEST COUNTRY GLOBALLY**, following countries like Qatar, Taiwan, Singapore, Austria, UAE, Australia, New Zealand, Canada, China, Russia, India, USA, UK and Hong Kong.

GEORGIA'S RELATIONS WITH INDIA

In 2019, India and Georgia signed a joint program on Free Trade Agreement (FTA) which will make the relationship between India and Georgia set in higher level of genuine diplomatic friendship, and offer great opportunities to boost the growth of both countries on business and related spheres including strong broad-range opportunities in professional education such as the Medical Field particularly for Indian students.

Direct Flights from India to Georgia.

Georgia and India established fastest air connectivity to foster greater trade, investment, tourism, education and cultural exchange between the two countries. Georgia and India signed the Air Services Agreement (ASA) in Delhi. Indian carriers from any points in India can operate to any points in Georgia whereas carriers of Georgia established direct operation to six points namely: New Delhi, Mumbai, Bengaluru, Hyderabad, Chennai and Goa. Direct flights and the 'Open Sky' regime is very important for establishing business ties, fast economic growth and render beneficial accessibility especially to Indians studying in Georgia.

Bigger New Indian Embassy Coming soon in Georgia under FTA February 2020. Upcoming initiative between Georgia and Indian delegation is the possibility of opening a Larger New Indian Embassy in Georgia.

WHY GEORGIA IS BECOMING THE MOST PREFERRED DESTINATION FOR INTERNATIONAL STUDENTS?

International Students feel like
'at home' in Georgia.

12,000+

INTERNATIONAL STUDENTS
are enrolled in 2019-2020.

THE WORLD COMES TO GEORGIA & STAYS

- Georgia has one of fastest growing economies in the world.
- Good reputation of the best European and American Educational Systems
- The Authorization and Accreditation of Georgian universities are in full compliance with the European and American Standards of higher education
- Most Affordable Tuition Fee
- Simple, low and fair taxation
- Access to 2.3 billion markets without customs duty
- Stable and transparent business environment

Millions of foreign residents all different nationalities and origin feel safe and protected in Georgia. Noteworthy, being one of the 47 European countries involved in Bologna process, foreign students and graduates are permitted to continue their career successfully in Europe, USA, UK, Australia, New Zealand, Canada, UEA, India, Singapore, Thailand, Hong Kong, Malaysia and numerous other countries.

Georgia upholds strong bonds with countries world-wide, opens its doors to international brands like Porsche, Adidas, BMW, Kia Motors and thousands more, prospered in Georgia.

WHY GEORGIA IS MOST FAVOURABLE DESTINATION FOR **STUDYING MEDICINE - MBBS (MD)?**

Factors which 12000+ International Students Considered and YOU too should consider in selecting Georgia:

Safety | Low Cost of Tuition Fee | Affordable Cost of living & Food | Globally-Reputable Educational System | Favourable Visa Regulations | Pleasant Climate | Medium of Instruction – English | Good Location of the University in Georgia

Research Results Showed that Indian Students prefer Georgia.

85% of Foreign Students in Georgia study health related courses such as Medicine, Dentistry, Nursing, Public Health Health-care and Pharmacy among others.

The results of the ISET research demonstrate that the reputation of Georgia as a safe country and having low tuition fees play a decisive role in attracting foreign students.

WORDS/OPINIONS OF STUDENTS WHY THEY SELECTED GEORGIA INSTEAD OF ANY OTHER COUNTRY FOR MEDICAL EDUCATION.

From 2017-2018 Georgia became the most preferred destinations for medical students from India.

WHO, UNESCO, ECFMG & MCI recognized Universities
One of Highest Passing Rate in MCI Screening Test
(FMGE) in India.

No Entrance or Admission test is required.

No Exams in between the course
(unlike Ukraine, Russia, China).

Medium of Instruction is English throughout the course
(unlike Ukraine, Russia, China, Belarus) where it is
bilingual; students have to study in Russian medium
after the third year.

No Donation and No Corruption.

Highly qualified faculty.

Dual intake in one academic year summer and spring.

No war zone. As such, even during the war between
Ukraine and Russia, medical students were advised to
shift to Georgia instead of continuing medicine education
elsewhere.

Georgian Universities follow ECTS pattern and
Bologna process.

Thereby, on passing out from recognized Georgian
Medical University, graduates can practise in 28 countries
that fall under European Union (provided that the local
language of that country is learned).

Clinical exposure starts as early as 2nd Semester in
1st year.

High standard and Low cost of living
(around 250 - 350 USD per month).
Almost 2.5 -3 times cheaper than other countries.

High Quality of Medical Education at affordable cost.

Students are permitted to work part time
(please note there is no separate work permit provided).

Comparatively safer. The crime is very minimal.
It ranks amongst 5th safest countries in the world.

Transportation is extremely cheap. Students get
more benefits, travelled on student card.

No Visa Issues - The Embassy of Georgia offers
its support and works in close coordination with
VFS Global. (VFS Global - The same company
which manages US Visas world-wide).

No Visa Problem. Very Easy to Renew and get
TRC (Temporary Resident Card).

Under LIBSON CONVENTION - Students perusing
education in Georgia can apply for Clerkship/Internship
and further studies in 47 countries.

Georgia supports Indo-Georgian cultural exchange.
Ms. Hema Malini an Indian Actress and Cultural
Ambassador of India supports "SYNERGY", an Indo
Georgian Dance fusion. Georgia regularly conducts dance
and festive celebrations.

Pleasant climate

Well connected flights from various cities in India.

Indian restaurants are easily available with wide variety
of food. Indian supermarkets are available for grocery
items in case of self-cooking.

Georgians appreciate Indian movies. A number of them
are fans of Raj Kapoor. As a country and people, they are
generally friendly and welcoming.

MESSAGE FROM THE PRESIDENT

It is with great pleasure that I welcome and value our students in SEU and their parents. I am delighted that you are part of our educational environment that is having utmost dedication towards excellence in all aspects.

Our principle is that **To Become a Good Doctor** requires various relevant parameters in place; only in that way our stakeholders especially students and parents can feel confidence in the choice of best and holistic learning institutions may it be in Georgia or anywhere else in the world.

SEU provides the best answer to this critical decision as all signs point to incredible and productive, rich and diverse students' life by way of offering you highest quality of education with exceptional parameters such as:

- Competent and enthusiastic team of expert faculty and staff
- Strong practice and research capability
- Modern Learning Infrastructure
- Hands-On Clinical Practice
- In-house/In-campus Hospital including affiliated practice learning facilities
- International/English Language medium of instruction
- Recreational cultural and sports field facilities
- International Student Unit to address all students' needs
- Established collaboration with Georgian and foreign higher educational institutions

I am pleased to say that SEU is considered a leader and top most medical college and is preferred by best students.

Together with our International Authorized Exclusive Partner Institution, Atmia Education, India, I warmly welcome you to SEU family.

Above all, in the name of SEU let me assure you that our culture and our reason for being is to help you become a good doctor as your dream is our mission.

DR. GIA KAVTELISHVILI
(UNIVERSITY OWNER)

LIFE IN TBILISI CITY

(MOST DEVELOPED MEGA CITY)

TBILISI

GEORGIA'S MOST PLEASANT CITY & DEFINITELY STUDENT'S SWEETHEART!

Tbilisi is the capital and the largest city of Georgia. A well-known urbanized Mega city, with bigger choices and opportunities for all its local people, tourists, students and the immigrant community crowned with the classic Georgian heritage and European buildings touched by the countryside style.

It is the beating heart of Georgia and definitely student's sweetheart and tourists first destination when visiting in Georgia.

A unique city with a panoramic view that melt hearts with its urbanized streets, modern Infrastructure, leafy squares, clean lakes, and green valleys. It is home to largest, most modern and world-renowned universities such as the Georgian National University – SEU.

According to the statistics of the Ministry of Education and Science, almost all of foreign students Study in Georgia, 95% in Tbilisi.

BUDGET RADAR ON TBILISI

The Mega City, Georgia

Yet, it is the most important thing to know “Is living in Tbilisi, Georgia affordable for all?”

Well, this is a “Million-Dollar Question” of parents and students.

Living a quality life in Georgia is sensible. It is not that cheap or costly. It depends on how smartly one manages a decent and comfortable life. However, while in the country, you may maximize and enjoy the wide-range of amazingly-interesting places starting from countryside markets and mini-shops to the most expensive hotels with its luxurious styles.

The currency of Georgia is the Georgian Lari. The good thing about the Georgian Lari is that it equals to 1GEL = Rs 23. This comes as good news for budget travellers, tourists, and of-course for the students and residents too.

RESTAURANTS

You can find the flavours of home across the state at restaurants and grocery stores specializing in food from Africa, Asia, Europe, India, Latin America, the Mediterranean, and many more.

Everyone agrees that food is cheap in Georgia. Most of the good restaurants offer delicious meals at affordable prices, whether it is street food or at fancy restaurants. Not to mention, readily available and affordable accommodation/motels and hotels for all clients.

MONTHLY EXPENSES

According to Georgian Government the Official average monthly expense is estimated at \$250 - \$350 US Dollars including Accommodation & Food. This is another proof that living in Tbilisi, Georgia is affordable for Students, locals and visitors.

HOSPITALITY

Among many good things, Georgia is a socially tolerant country. Georgians are predominantly Christians who have hospitable culture. Georgians are welcoming to people of different nationality, religions, race, ethnicity and social status. This is why Georgia remains a top tourists' destination and a favourite destination of International students.

FOOD & SNACKS

Here is a rough estimate of local and popular food stuffs in Tbilisi

RICE
(1 Kg.)
₾ 2.00 GEL
₹ 50.00 INR

BREAD
(Loaf of Fresh)
₾ 0.80 GEL
₹ 19.00 INR

MILK
(Reg. 500ml)
₾ 1.50 GEL
₹ 36.00 INR

APPLES
(500gm)
₾ 0.50 GEL
₹ 12.00 INR

Banana
(500gm)
₾ 0.80 GEL
₹ 19.00 INR

Tomato
(500gm)
₾ 0.50 GEL
₹ 12.00 INR

Potato
(1 kg)
₾ 0.80 GEL
₹ 19.00 INR

Onion
(1 kg)
₾ 0.70 GEL
₹ 16.00 INR

Lettuce
(1 Head)
₾ 1.00 GEL
₹ 24.00 INR

Non-Veg:
Eggs (Regular 2.40)
₾ 0.80 GEL = ₹ 19.00 INR

Chicken Fillets (150gm)
₾ 1.74 GEL = ₹ 41.76 INR

Monthly recommended minimum amount of money for food per person is 360.00 GEL = 8640 INR.

TRANSPORTATION

A Ticket for public transport vehicles (Bus and Metro) would cost 0.50gel (Rs 12). However, students with "students cards" pay only 0.20gel (Rs 5) for a ticket. Each ticket is valid for 1.30hr. Within the 1.30hr validity frame, a ticket holder can enter any public vehicle for FREE with the ticket card.

Bolt and Yandex is available in all Georgian cities for everyone who prefers to use taxi. Taxis would charge about 5gel (Rs 120) for a 7km journey. And cars are affordable for those who prefer to purchase a vehicle while studying in Georgia.

LEISURE AND FUN

Many of the tourist attraction in Georgia are free for access. However some requires visitors to pay an entrance fee. Students enjoy discounts on entrance fee to access some of the tourist attraction in Georgia.

Average student spending is estimated at \$250 - \$350 US Dollars Per Month

VISA-FREE TRAVEL

TO THE SCHENGEN AREA, EUROPE,
A LANDMARK ACHIEVEMENT FOR GEORGIA.

On March 28, 2017 Georgia secured Visa-Free Travel to the Schengen area, Europe. Georgians and Residents can now freely travel to the European Union (EU) for the standard period of a 90-day stay within any 180-day period, given the growing hostility in electorates across Europe - not just toward migration from outside the EU, but even toward the core concept of freedom of movement within the EU. European Union leaders also warmly congratulated Georgia and encouraged Georgians to "enjoy Europe."

It is impossible to pen down
every mesmerizing feeling
Georgia has to offer!

Some things are better
understood when they are
encountered & experienced
in person.

So, come study in this
amazing country,
GEORGIA, and gain
meaningful journey to
cherish for lifetime!

A photograph of a modern hostel room. In the foreground, there are several single beds with white linens. The headboard is made of dark wood. On the wall, there are three framed pieces of art, each containing a grid of small, colorful illustrations. A large window on the right side of the room offers a view of greenery outside. A wooden chair and a small table are visible near the window. A yellow cylindrical pendant light hangs from the ceiling.
